

Executive Council

Eleventh Meeting—Paris, France
October 17-18, 2006

Agenda Item: 4.d. Adding Value to the CGIAR System: Oversight Role of ExCo

Issue(s):

Following discussion of the 5th CIMMYT EP MR at ExCo 8 (May 2005), ExCo asked the CGIAR Secretariat to prepare a note for discussion on governance and oversight questions, with special emphasis on “the role ExCo could play to add maximum value to the System.” The CGIAR endorsed ExCo’s recommendations at AGM05. An earlier draft was sent to ExCo for comments, which have been incorporated in the attached document. The note focuses primarily on the role of ExCo in providing oversight of governance of Centers and is designed to generate discussion on improving systemwide governance and accountability and has been included in the agenda at the request of members.
